

Kiwi Jingle Bells – Shane McAllister

C **F**
Dashing through the bush, in a rusty Holden ute,
G7 **C**
Kicking up the dust, chilly bin in the boot
C **F**
Mongrel by my side, singing loud and flat
G7 **C**
It's summertime and I am in my T-shirt, shorts, and hat, oh

Chorus:

C **C7**
Jingle bells, jingle bells, jingle all the way,
F **C** **D7** **G7**
Christmas in New Zealand on a sunny summers day, hey,
C **C7**
Jingle bells, jingle bells, Christmas time is beaut,
F **C** **G7** **C**
Oh what fun it is to ride in a rusty Holden ute

C **F**
Engine getting hot, we dodge a sheep or two,
G7 **C**
Hitchhiker on board, he is welcome too
C **F**
All the family's here, sitting on the deck
G7 **C**
Christmas in New Zealand is a cracker, yeah, by heck

Chorus:

C **F**
Come the afternoon, Grandpa has a doze,
G7 **C**
Kids and Uncle Bruce, swimming in their clothes
C **F**
Soon it's getting late, we make our family wishes
G7 **C**
We pack our bags and all shoot through, no one does the dishes

Chorus:
