

## MAGGIE MAE (Rod Stewart)

**G** **F** **C**  
1. Wake up Maggie I think I've got something to say to you.

**G** **F** **C**  
It's late September and I really should be back at school.

**F** **C** **F** **G**  
I know I keep you amused, but I feel I'm being used.

**Dm** **Em** **Dm** - **G**  
Oh Maggie I couldn't have tried any more.

**Dm** **G** **Dm** **G**  
You lured me away from home, just to save you from being alone.

**Dm** **G** **C**  
You stole my heart, and that's what really hurts.

**G** **F** **C**  
2. The morning sun, when it's in your face, really shows your age.

**G** **F** **C**  
But that don't worry me none, in my eyes you're everything.

**F** **C** **F** **G**  
I laughed at all your jokes, my love you didn't need to coax.

**Dm** **Em** **Dm** - **G**  
Oh Maggie I couldn't have tried any more.

**Dm** **G** **Dm** **G**  
You lured me away from home just to save you from being alone.

**Dm** **G** **C**  
You stole my soul that's a pain I can do without.

**G** **F** **C**  
3. All I needed was a friend to lend a guiding hand.

**G** **F** **C**  
But you turned into a lover and, mother, what a lover, you wore me out.

**F** **C** **F** **G**  
All you did was wreck my bed, and in the morning kick me in the head.

**Dm** **Em** **Dm** - **G**  
Oh Maggie I couldn't have tried any more

**Dm** **G** **Dm** **G**  
You lured me away from home 'cause you didn't want to be alone.

**Dm** **G** **C**  
You stole my heart, I couldn't leave you if, I tried.

**G** **F** **C**  
4. I suppose I should collect my books and get back to school.

**G** **F** **C**  
Or steal my daddy's cue, make a living out of playing pool.

**F** **C** **F** **G**  
Or find myself a rock and roll band, that needs a helping hand.

**Dm** **Em** **Dm** - **G**  
Oh Maggie, I wished I'd never seen your face.

**Dm** **G** **Dm** **G**  
You made a first class fool out of me, but I'm as blind as a fool can be.

**Dm** **G** **C** - **G** - **F** - **C** - **G** - **F** - **C**  
You stole my heart but I love you anyway.
