

## SUMMER IN THE CITY (Loving Spoonful) or (Jo Cocker)

- Dm**            **G**                            **Dm**                            **G**  
1. ~ Hot town, summer in the city, back of my neck getting dirty and gritty,  
**Dm**            **G**                            **Dm**                            **G**  
~ Been down, isn't it a pity, doesn't seem to be a shadow in the city.  
**A**            **A7**  
~ All round, people looking half-dead,  
**Dm**                                            **D7**  
Walkin' on the sidewalk, hotter than a match head.

### **Chorus**

**G**                            **C**                            **G**                            **C**  
~ But at night it's different world, ~ go out and find a girl,  
**G**                                            **C**  
Come on, come on and dance all night,  
**G**                                            **C**  
You trust in me, it'll be alright.  
**Em**                            **A**  
And Babe, don't you know, it's a pity,  
**Em**                            **A**  
That the days, can't be like the nights,  
**Em**                            **A**  
In the summer, in the city.  
**Em**                            **A**  
In the summer, in the city.

- Dm**            **G**                            **Dm**                            **G**  
2. ~ Cool town, evening in the city, dressing so fine and you're looking so pretty,  
**Dm**            **G**                            **Dm**                            **G**  
~ Cool cat, looking for a kitty, gonna look in every corner of the city,  
**A**            **A7**  
~ Till I'm wheezing like a bus stop,  
**Dm**                                            **D7**  
Running up the stairs, gonna meet you at the rooftop.

### **CHORUS**

- Dm**            **G**                            **Dm**                            **G**  
3. ~ Hot town, summer in the city, back of my neck getting dirty and gritty,  
**Dm**            **G**                            **Dm**                            **G**  
~ Been down, isn't it a pity, doesn't seem to be a shadow in the city.  
**Dm**            **G**                            **Dm**                            **G**  
~ Hot town, summer in the city, back of my neck getting dirty and gritty,  
**Dm**            **G**                            **Dm**                            **G**  
~ Been down, isn't it a pity, doesn't seem to be a shadow in the city.
