C

Don't let the stars get in your eyes

G7

Don't let the moon break your heart

G7

Love blooms at night in daylight it dies

C

Don't let the stars get in your eyes

C

So keep your heart for me for someday I'll return

G7

C

And you know you're the only one I'll ever love

.....

C

Too many nights too many stars

G7

Too many moons could change your mind

G7

If I'm gone too long don't forget where you belong

C

When the stars come out remember you are mine

Repeat #1

C

Too many miles too many days

G7

Too many nights to be alone

G7

So please keep your heart while we're apart

C

Don't stand in the moonlight while I'm gone
