

I'm Still Standing - (Elton John)

Am - Dm - E7 F-G (2x)

- A** **D**
1. ~ You could never know what it's like,
E7 **A**
 your blood like winter freezes just like ice.
F#m **D** **E7**
 And there's a cold lonely light that shines from you,
F#m **D** **A**
 you'll wind up like the wreck you hide behind that mask you use.
- A** **D**
2. And did you think this fool could never win?
E7 **A**
 Well, look at me, I'm coming back again !
F#m **D** **E7**
 I got a taste of love in a simple way,
F#m **D** **A**
 and if you need to know while I'm still standing you just fade away.

CHORUS

Am **Em**
 Don't you know, I'm still standing better than I ever did,
Dm **F - G**
 looking like a true survivor, feeling like a little kid.
Am **Em**
 I'm still standing after all this time,
Dm **E7**
 picking up the pieces of my life without you on my mind.
Am **Dm** **E7**
 I'm still standing, yeah yeah yeah!
Am **Dm** **E7 (F G)**
 I'm still standing, yeah yeah yeah!

- A** **D**
3. ~ Once I never could hope to win.
E7 **A**
 you starting down the road, leaving me again.
F#m **D** **E7**
 The threats you made were meant to cut me down,
F#m **D** **A**
 and if our love was just a circus, you'd be a clown by now.

+ CHORUS (x2)

Am **Dm** **E7**
 I'm still standing, yeah yeah yeah! (repeat and fade...)
