

Lace Covered Window – The New Faces

INTRO: C G7 C (3 Beats Each)

C **Cmaj7** **C**
 When you walk through the world all alone
 C7 **F**
 And your dreams turn to ashes behind you
 F7 **C**
 Then the tears in your eyes will remind you
 G7 **C**
 Of a view through the lace covered window

C **Cmaj7** **C**
 I can't see very clear any more
 C7 **F**
 In your world everything is uncertain
 F7 **C**
 How you wish you could pull back the curtain
 G7 **C**
 Just to see through that lace covered window
 G7 **C** **C7**
 See the world through that lace covered window

F **Dm** **C**
 But you never know just what life has in store
 G7 **C** **C7**
 What's waiting there to greet you
 F **Dm** **C**
 So pull back the curtain and may be once more
 Dm **G7**
 True love is there to greet you

C **Cmaj7** **C**
 So we walk side by side through the world
 C7 **F**
 No more times full of darkness and sorrow
 Dm **C**
 Everyday it's a bright new tomorrow
 G7 **C**
 When you open that lace covered window

C **Cmaj7** **C**
~~So we walk side by side through the world~~
 C7 **F**
~~No more times full of darkness and sorrow~~
 F **C**
 Every day is a bright new tomorrow
 G7 **C**
 When you open that lace covered window
 G7 **C** **G7** **C**
 Let the sun through that lace covered window.
