

When I Need You (Leo Sayer) $\frac{3}{4}$ timing

1. When I need you, I just close my eyes and I'm with you,
 and all that I so want to give you, it's only a heartbeat away.

2. When I need love, I hold out my hands and I touch love,
 I never knew there was so much love, keeping me warm night and day.

Miles and miles of empty space in between us,
 a telephone can't take the place of your smile.

But you know I won't be travelling forever,
 it's cold out, but hold out, and do like I do.

3. When I need you, I just close my eyes and I'm with you,
 and all that I so wanna give you, babe, it's only a heartbeat away.

It's not easy when the road is your driver,
 honey, that's a heavy load that we bear.

But you know I won't be travelling a lifetime,
 it's cold out, but hold out, and do like I do, ↓oh, I need you.

4. When I need love, I hold out my hands and I touch love,
