

# BYE BYE LOVE - Everly Brothers

Intro: 2<sup>nd</sup> line

## Chorus

*F*            *C*            *F*            *C*  
Bye bye love,      bye bye happiness  
*F*        *C*                            *G7*    *C*  
Hello loneliness,    I think I'm gonna cry  
*F*            *C*            *F*            *C*  
Bye bye love,      bye bye sweet caress  
*F*        *C*                            *G7*    *C*  
Hello emptiness,    I feel like I could die

----- *G7*                            *C*  
V1 There goes my baby with someone new  
   *G7*                            *C*  
He sure looks happy, I sure am blue  
                                 *C7*        *F*                            *G*  
He was my baby till she stepped in  
   *G7*                            *C*  
Goodbye to romance that might have been

## Chorus

----- *G7*                            *C*  
V2 Im through with romance I'm through with love  
   *G7*                            *C*  
I'm through with counting the stars above  
   *F*                            *G*  
And here's the reason that I'm so free  
   *G7*                            *C*  
My lovin' baby is through with me

## Chorus

*C*            *G7*            *C*                            *C*            *G7*            *C*  
Bye bye love good bye      Bye bye love good bye
