

D.I.V.O.R.C.E - Billy Connolly

G **C** **G**
Our little dog is six years old, and he's smart as any damn kid.

G **A** **D**
But when you mention the V.E.T. he damn near flips his lid.

G **C** **G**
Words like S.H.O.T. shot or W.O.R.M. worm,

C **G** **D** **G**
These are words which make him S.Q.U.I.R.M. squirm.

G **C** **G**
His Q.U.A.R.A.N.T.I.N.E starts today,

G **A** **D**
Coz he bit the V.E.T. and then he ran away.

G **C** **G**
He caused me and my wife to have a big fight, and then, both of them bit me.

C **G** **D** **G**
And that's why I am gonna get a D.I.V.O.R.C.E.

G **C** **G**
She shouted "get him Rover," and he jumped over, and bit my L.E.G.

A **D**
She sank her teeth in my B.U.M. and called me an effin C.

G **C** **G**
Well I'm telling you, that was my cue, to get O.F.F.-ski

C **G** **D** **G**
And I'm going down to the town tonight to get a new B.I.R.D.

G **C** **G**
Oh his Q.U.A.R.A.N.T.I.N.E starts today.

G **A** **D**
Both my wife and my wee scabby dog will soon be hauled away.

G **C** **G**
That's why I spell out all these words, so as my dog can't hear.

C **G** **D** **G**
Oh I must admit that dog is acting Q.U.E.R. queer. (Last line x2).
