VERSE 1:

G **Am**
The sweetest stuff, you give to me, It makes me feel fine
G **Am**
Every little word that you say to me, Keeps my heart on time
G **Am**
Red blood flowin' like a rough rapid, When you are near by
G **Am**
Ain't no doubt 'cos it's plain to see, You set my soul on fire

CHORUS:

G **Am**
Something so true, Is what I get from you
G **Am**
An' I hope that you'll see, You get the best of me
G **Am**
Something so true, Is what I get from you
G **Am**
An' I hope that you'll see, You get the best of me,
G & 2 & 3 & 4 & Am & 2 & 3 & 4 & G & 2 & 3 & 4 & Am & 2 & 3 & 4
Oo wee Oh yeah,

VERSE 2:

G **Am**
Most generous love, you spread around, To the people in your life
G **Am**
Sharing the weight and the pressure, Just to make it right
G **Am**
I hope one day that you get it back, If that karma stuff is true
G **Am**
Here's a little song just to make a start, Called something so true

CHORUS...

OUTRO:

G & 2 & 3 & 4 & Am & 2 & 3 & 4
It's so, so true (x4)
