

In Between Days by The Cure

A **Asus4**
Yesterday I got so old
A **Asus4**

I felt like I could die
A **Asus4**
Yesterday I got so old

A **Asus4**
It made me want to cry
A **Asus4**

Go on go on, just walk away
A **Asus4**

Go on go on, your choice is made
A **Asus4**

Go on go on, and disappear
A **Asus4**

Go on go on away from here

Bm7

And I know I was wrong
E7

When I said it was true
Bm7 **E7**

That it couldn't be me and be her in between
A **Asus4** **A** **Asus4**

Without you, without you

A **Asus4**
Yesterday I got so scared
A **Asus4**

I shivered like a child
A **Asus4**
Yesterday away from you

A **Asus4**
It froze me deep inside

A **Asus4**
Come back, come back, don't walk away
A **Asus4**

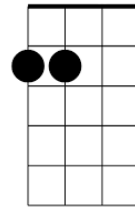

Come back, come back, come back today
A **Asus4**

Come back, come back, why can't you see?
A **Asus4**

Come back, come back, come back to me

Repeat chorus end with

A **Asus4** **A** **Asus4** **A** **Asus4** **A** **Asus4**
Without you, Without you Without you, Without you
