

Snowbird by Anne Murray

G **Em** **Am**
1. Beneath this snowy mantle cold and clean
D **D7** **G**
The unborn grass lies waiting for it's coat to turn to green.
G **Em** **Am**
The snowbird sings the song he always sings
D **D7** **G**
And speaks to me of flowers that will bloom again in spring.

G **Em** **Am**
2. When I was young, my heart was young then, too
D **D7** **G**
Anything that it would tell me, that's the thing that I would do.
G **Em** **Am**
But now I feel such emptiness within
D **D7** **G**
For the thing that I want most in life is the thing that I can't win.

CHORUS

G **Em** **Am**
Spread your tiny wings and fly away,
D **D7** **G**
And take the snow back with you where it came from on that day.
G **Em** **Am**
The one I love forever is untrue,
D **D7** **G**
And if I could, you know that I would fly away with you.

G **Em** **Am**
3. The breeze along the river seems to say
D **D7** **G**
That he'll only break my heart again should I decide to stay.
G **Em** **Am**
So, little snowbird, take me with you when you go
D **D7** **G**
To that land of gentle breezes where the peaceful waters flow.

CHORUS

D **C** **Am** **G**
Yeah, if I could you know that I would fly-y-y-y-y away with you.
