

IT'S THE SAME OLD SONG... by The Four Tops - 1965

Intro:G-Em x 4

1) You're sweet (you're sweet) as a honeybee, but like a honey-bee stings,
You've gone and left my heart in pain.
All you left (all you left), is our favorite song,
The one we used to dance to all night long.
It used to bring, sweet memories,(sweet memories)
Of a tender love that used to be.

Chorus:

Now it's the same, old song,
But with a different meaning, since you been gone.
It's the same, old song,
But with a different meaning, since you been gone.

2) Sen-ti-men-tal... fool am I,
To hear an old love song, and wan-na cry.
But the melody, keeps haunting me,
Re-minding me how in love we used to be.
Keep hearing the part that used to touch our hearts,
Staying to-gether, never breaking up ever.

3) Precious memories, keep a lingering on,
Every time I hear our favorite song.
Now you've gone, left this emptiness,
I only reminisce about the happiness we spent.
We used to dance to the music, (used dance to the music),
Make ro-mance to the music, (make ro-mance to the music).

Chorus

(Repeat to Fade) + G to end.
