

Logical Song - Supertramp

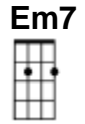

Am **F** **Em7**
When I was young, it seemed that life was so wonderful,
G **F** **D7**
a miracle, oh it was beautiful, magical.

Am **F** **Em7**
And all the birds in the trees, well they'd be singing so happily,
G **F** **D7**
Joyfully, playfully, watching me.

Am **F** **Em7**
But then they sent me away, to teach me how to be sensible,
G **F** **D7**
logical, responsible practical.

Am **F** **Em7**
And they showed me a world where I could be so dependable,
G **F** **D7**
clinical, intellectual, cynical.

C **Am6**
There are times when all the world's asleep,
F **Bb**
the questions run too deep for such a simple man
C **Am6**
Won't you please, please tell me what we've learned?
F **Bb**
I know it sounds absurd. Please tell me who I am.

Am **F** **Em7**
Watch what you say or they'll be calling you a radical,
G **F** **D7**
a liberal, fanatical, criminal.
Am **F** **Em7**
Won't you sign up your name, we'd like to feel you're acceptable,
G **F** **D7**
respectable, presentable, a vegetable!

C **Am6**
There are times, when all the world's asleep,
F **Bb**
the questions run too deep for such a simple man
C **Am6**
Won't you please, please tell me what we've learned?
F **Bb**
I know it sounds absurd. Please tell me who I am.

Oh check check it yeah

Bb
Who I am who I am who I am
