

## Penny Arcade – Roy Orbison 1970

**C** **F**  
1. The light, shone in the night, some way ahead  
**D7** **G**  
Blue, turned into green, then it was red.  
**C** **F**  
And. Stirring the night, love music play...ed  
**D7** **G - G7**  
The light, I saw in the night, was the penny arcade.

**C**  
*Step up and play each machine seemed to say,*  
**G**  
*As I walked, round and round the penny arcade.*  
**G7**  
*Just ring the bell on the big bagatelle*  
**C**  
*And you'll make all the coloured lights cascade.*  
**F** **C**  
*And the music played ..... in the penny arcade.*  
**F** **G**  
*Yes, it played and it played, played all the time,*  
**C** **F** **C**  
*Roll up and spend your last dime.*

**C** **F**  
2. At first, I thought it a dream, that I was in,  
**D7** **G**  
Lost, lost in a sea, of glass and tin,  
**C** **F**  
But no, so, dipping my hand in the back of my jeans,  
**D7** **G - G7**  
I grabbed a handful of coins to feed the machines.

### CHORUS (x2) +

*Roll up and spend your last,  
Roll up and spend your last,  
roll up and spend your last dime.*
