

Silver Threads and Golden Needles by The Springfields

G **G7**
I don't want your lonely mansion
C
With a tear in every room
G
All I want's the love you promise
F D7
Beneath the haloed moon
G G7
But you think I should be happy
C
With your money and your name
G
And hide myself in sorrow
D7 G G7
While you play your cheating game

C
Silver threads and golden needles
G
Cannot mend this heart of mine
G
And I dare not drown my sorrow
Em7 F D7
In the warm glow of your wine
G G7
But you think I should be happy
C
With your money and your name
G
And hide myself in sorrow
D7 G G7
While you play your cheating game

C
Silver threads and golden needles
G
Cannot mend this heart of mine
G
And I dare not drown my sorrow
Em7 F D7
In the warm glow of your wine
G G7
You can't buy my love with money

C
For I never was that kind
C G D7 G
Silver threads and golden needles Cannot mend this heart of mine

(Repeat last line slowly using chords **F & G** to end)
