

A PLACE IN THE CHOIR - BILL STAINES

CHORUS:

A

All God's critters got a place in the choir

E7 **A**

Some sing low, some sing higher

D **A**

Some sing out loud on the telephone wire

E7 **A**

And some just clap their hands or paws or anything they got, now

(A)

Listen to the bass, it's the one on the bottom

E7 **A**

Where the bullfrog croaks and the hippopotamus

D **A**

Moans and groans with a big t'-do

E7 **A**

The old cow just goes moo

A

The dogs and the cats, they take up the middle

E7 **A**

While the honeybee hums and the cricket fiddles

D **A**

The donkey brays and the pony neighs

E7 **A**

And the old farm dog howls

→CHORUS

(A)

Listen to the top where the little birds sing

E7 **A**

On the melody with the high notes ringing

D **A**

The kea hollers over every-thing

E7 **A**

And tu-i disa-grees

A

Singing in the night time, singing in the day

E7 **A**

The little duck quacks, then he's on his way

D **A**

The 'possum ain't got much to say

E7 **A**

And kiwi keeps to himself

→ CHORUS

(A)

It's a simple song of living sung everywhere

E7 **A**

By the ox and the fox and the grizzly bear

D **A**

The grumpy alligator and the hawk above

E7 **A**

The sly raccoon and the turtle dove
