

Choo Choo Ch'Boogie - Asleep At The Wheel

G

Headin' for the station with a pack on my back

G

I'm tired of transportation in the back of my hack

C

I love to hear the rhythm of the clickety clack

G

And hear the lonesome whistle, see the smoke from the stack

D

To pal around with democratic fellows named Mac

G

So take me right back to the track, Jack

CHORUS: G

Choo-choo, choo-choo, ch'boogie,

G

Woo-woo, woo-woo, ch'boogie,

C

Choo-choo, choo-choo, ch'boogie,

G

Take me right back to the track, Jack

G

I've reached my destination but alas and alack

G

I need some compensation to get back in the black

C

I take the morning paper from the top of the stack

G

And read the situations from the front to the back

D

But the only job that's open needs a man with a knack

G

So put it right back in the rack, Jack + **CHORUS:**

G

Well I hum to the rhythm of the railroad track

G

And live the life o'riley in a beaten down shack

C

So when i hear a whistle I can peep thru the crack

G

And watch the train a rollin' when it's ballin' the jack

D

I love to hear the rhythm of the clickety clack

G

So take me right back to the track, Jack + **CHORUS:**
