

| G | G | G → | G

Where you can hear a country song from far

| G | G | D → | D

And someone plays the honky tonk guitar

| D | D | G

Where all the lights will go out one by one

| G | A | A | D → | D

Where people join the song and the wind takes it away.

G G G → G

Where the Mississippi rolls down to the sea

G G D → D

And lovers found the place they like to be

D D G

How many times before this song was ending

G D D G → G

Love and understanding every where around

► CHORUS

G Bm D D D D G → G
Mii -ii -si -si-ppi, ~ I'll remember you

G G D D

Whenever I shall go away, I'll be longing for the day

A A D C G D7

That I will be in Greenville again.

G Bm D D D D G → G

Mii -ii -si -si-ppi, ~ you'll be on my mind

C C G G D

~ Every time I hear this song, Mississippi roll along

D G → G

Until the end of time.

G G G → G

Now the country song forever lost its soul

G G D → D

When the guitar picker turned to Rock'n roll

D D G

And every time when summer nights are falling

G D D G → G

I always will be calling dreams of yesterday

► CHORUS

~ Every time I hear this song Mississippi roll along
