

**MY BROKEN SOUVENIRS - Pussycat**

 For each moments of tears, I still had my souvenirs,  
 | D7 | D7 | G | G  
 Cherished in a pocket full of dreams.

| G | G | D | D  
 I could hold I could feel, kept pre-tending they were real  
 | D7 | D7 | G | G7  
 Long time after lovers stayed a-way.

| C | C | G | G  
*Now a picture of you, I had cherished so true.*  
 | A | A7 | D | D7  
*Even kissed 'till I'd seen you again, but when?*  
 | G | G | C | A7  
*I've been crying today, threw my memories away*  
 | D | C | G | G  
*something died as I cried, for my broken souvenirs.*  
 | G | G | C | A7  
*Can I reach for the sun, find a place I belong?*  
 | D | D7 | G | G  
*Now you're one of my broken souvenirs.*

 If you'll need me again, there's no way you really can.  
 | D7 | D7 | G | G  
 Pasted pieces never make a whole.

| G | G | D | D  
 And if you leave your room, on some windy afternoon  
 | D7 | D7 | G | G7  
 Try to see where all the pieces flew.

| C | C | G | G  
*It was hard to get on, since my memories were gone.*  
 | A | A7 | D | D7  
*But if you'll ever see me again, I can.*  
 | G | G | C | A7  
*I've been crying today, threw my memories away*  
 | D | C | G | G  
*Something died as I cried, for my broken souvenirs.*  
 | G | G | C | A7  
*Can I reach for the sun, find a place I belong?*  
 | D | D7 | G | G  
 • *Now you're one of my broken souvenirs. (3) Three times*
