

Pamela Pamela - Graham Gouldman(10cc) sung by Wayne Fontane

Em - D - C - D (2x)

1. Pamela, Pamela, remember the days,
of inkwells and apples and books and school plays,
where little Brer Rabbit kissed Pooh in the wood,
and Fluff was the cat that sat on the rug. mm-mm-mm-mm-mmmmm

2. When Laurel and Hardy were shown at the flicks,
with sticky red lollies on splintery sticks,
pigtails and ribbons and crushes on miss,
secret discussions about a first kiss.

*But you were young, and everything was new,
Impatient to do things you couldn't do,*

3. Oh, Pamela, Pamela, you started to grow,
answers to questions you wanted to know.
When the rest of your childhood forgets as a dream,
and the harshness of life dims the peaches and cream.

Instrumental (up one note) ;
