

**San Antonio Rose - Patsy Cline**  
written and recorded by Bob Wills

**C C7 F D7**  
Deep within my heart lies a mel-ody  
**G7 C**

A song of old San Antone

**C C7 F D7**  
Where in dreams I live with a mem-ory  
**G7 C**

Beneath the stars all alone

**C C7 F D7**  
Well it was there I found beside the Alamo  
**G7 C**

Enchantment strange as the blue (up above)

**C C7 F D7**  
For that moonlit pass that only he would know  
**G7 C**

Still hears my broken song of lo-ove

**G7 D7**  
Moon in all your splendor know only to my heart  
**G7**

~ Call back my Rose Rose of San Antone  
**D7**

Lips so sweet and tender like petals falling apart  
**G G7**

~ Speak once again of my love my own

**C C7 F D7**  
Broken song empty words I know  
**G7 C**

Still live in my heart all alone

**C C7 F D7**  
For that moonlit pass by the Ala-mo  
**G7 C**

And Rose my Rose of San Antone

Repeat last verse and last line twice
