

THE YOUNG ONES - Cliff Richard

**Cx4 – Amx4 – Dmx4 – Gx4**

**C** **Am**  
1. The young ones, ~ darling, we're the young ones,  
**C** **Am**  
And the young ones ~ shouldn't be afraid  
----- **Cx2** --- **Gx2** **C** **F**  
To live,.....love..... ~ while the flame is strong,  
**C** **G** **C - F-G**  
'cos we may not be the young ones very long.

**C** **Am**  
2. Tomorrow, ~ why wait until tomorrow,  
**C** **Am**  
'cos tomorrow ~ sometimes never comes.  
----- **Cx2** -- **Gx2** **C** **F**  
So love,.....me,..... ~ there' s a song to be sung,  
**C** **G** **C**  
And the best time is to sing it while we're young.

**CHORUS**

**F** **C**  
**Once in every life time..... comes a love like this.**  
**D** **G** ----- **G7**  
**Oh, I need you, ~ you need me, oh, my darling can't you see.**

**C** **Am**  
3. Young dreams, ~ should be dreamed together,  
**C** **Am**  
And young hearts, ~ shouldn't be afraid.  
----- **Cx2** --- **Gx2** **C** **F**  
And some..... day..... ~ when the years have flown,  
**C** **G** **C**  
Darling, then we'll teach the young ones of our own.

**CHORUS + repeat verse 3 - G-C**
