Chorus

1.
 The tides surge onto the seashore
 and my heart throbs.
 Alas! Weeping without restraint
 I am left behind.
 Everyone is utterly heart-broken.

Chorus

So come back, return
My beloved, my love
I am weeping here
for you now far away
Farewell! and remember,
Beloved! be true to me
Farewell! I will be true to you
Farewell!

2.
 Farewell young man, Farewell.
 Take my love with you
 Alas! There is weeping inside of
 me, left behind here
 Farewell young man, Farewell..
