

## OH MY GOSH - OH MY GOSH - OH MY GOSH by Neil Reid (2018)

**V1**    **G**                                    **C**                    **G**                    **C**                    **D**                    **G**  
If you need a poo and you can't find a loo, Oh my gosh, oh my gosh, oh my gosh  
          **G**                                    **C**                    **G**                    **C**                    **D**                    **G**  
You'll need new undies if you can't find a loo, Oh my gosh, oh my gosh, oh my gosh

**Pre-Chorus:**            **C**                                    **G**  
It can be something happy, it can be something sad  
**D**                                    **G**  
Be a little something that makes you feel bad  
**C**                                    **G**  
Be something awesome, be something strange  
**D**  
Whatever it is, the words are the same

**Chorus:**                                    **C**                    **D**                    **G**  
Oh my gosh, oh my gosh, oh my gosh  
          **C**                                    **G**  
It's just the way life is I guess  
          **C**                                    **D**                    **G**  
Oh my gosh, oh my gosh, oh my gosh  
          **C**                                    **G**  
It's just the way life is I guess  
          **C**                                    **D**                    **G**  
Oh my gosh, oh my gosh, oh my gosh

**V2**            **G**                                    **C**                    **G**                    **C**                    **D**                    **G**  
If your mother says, you can eat what you want, Oh my gosh, oh my gosh, oh my gosh  
**G**                                    **C**                    **G**                    **C**                    **D**                    **G**  
Say you want lollies, ice-cream on top, Oh my gosh, oh my gosh, oh my gosh

### **+ Pre-Chorus & Chorus**

**Bridge:**                                    **C**                    **G**                    **D**                    **G**  
*I heard a young girl say it, as she skipped along with joy*  
**C**                                    **G**                    **D**                    **G**  
*I heard a young boy say it, when he got his Christmas toys*  
**C**                                    **G**                    **D**                    **G**  
*I heard a young wife say it, when she got her pregnancy test*  
**C**                                    **G**                    **D**                    **C**    **D**    **G**  
*I heard a young man say it, when the all-blacks won the test*

### **+ Chorus**

**Outro:**                                    **C**                    **D**  
Oh my gosh... oh my gosh.... oh my.....  
**G**  
*Tahi rua toru wha heeeeee*

Inspired by hearing a young girl at Tahuna beach Nelson who went skipping along to the playground saying "Oh my gosh oh my gosh oh my gosh".  
The line "It just the way life is I guess" came from listening to a lady at Karamea campground who always finished her rather sad and tragic stories with: "It just the way life is I guess".
